Dr. Joshua Lederberg  
Department of Genetics  
Stanford University Medical Center  
Palo Alto, California

Dear Dr. Lederberg:

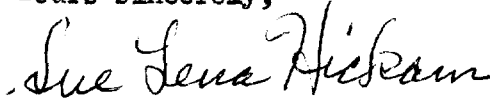

This letter is written at her request to bring you warm greetings from Thea (Mrs. H. J.) Muller. She acknowledges, with thanks, yours of November 2 to Dr. Muller, received here December 27.

On December 20 it became advisable to have Dr. Muller admitted to a hospital in Indianapolis for treatment of a complication that had arisen in his condition. Mrs. Muller is staying at the Union Building there (Room 322, Union Building, I.U. Medical Center, Indianapolis Indiana 46202).

Today's report of Dr. Muller's condition is a good one: "medications have been reduced and Dr. Ritchie recommends that Joe become active. He is eating well and sleeping well."

Please accept my own warm greetings for a fine New Year along with those of the Mullers.

Yours sincerely,

Sue Lena Hickam (Mrs.)  
Secretary
